### FROM THE PRINCIPAL TO CLOVERDALE FAMILIES

#### **Louise Burke Retirement**

We wish to announce that our principal Louise Burke has announced her retirement after many years as teacher and school administrator. We would like to sincerely thank her for her wonderful contribution to Cloverdale Primary School.

The following statement was composed by Louise:

*"I have been proud to be the principal of Cloverdale Primary School since the start of 2021. Unfortunately, my time at the school has come to an end and I will be retiring in Term 2 of this year. I have loved being part of this school and will miss the vibrant and enthusiastic community it serves. I am proud to have been part of a team of educators who are working tirelessly to ensure that no child is left behind. I would like to thank you all for your support and wish you and your families all the best for whatever the future holds."*

#### **Staff Changes for Term 2**

Our fabulous AEIO Lyn Jackson is retiring, and we are currently undertaking a selection process to find her replacement. Ms Bellenger, Ms Newland and Mr McMillan will be on leave next term. We will advise the teachers to cover for Ms Bellenger and Mr Ryugo's class as soon as selection processes have been completed.

## HARMONY WEEK 2024

Harmony Week is the celebration that recognises our diversity and brings together Australians from different backgrounds. Harmony Week will take place from 18-24 March 2024 with Thursday, 21 March 2024 being Harmony Day. The theme this year is “**Everyone Belongs**”.

Cloverdale Primary School is made up of students and families from many different countries, nationalities and cultures which enhances our unique multi-cultural community.

On **Friday, 22 March 2024**, Cloverdale Primary School and the Cloverdale Education Support Centre will celebrate Harmony Week at a special assembly in the Undercover Area at 9:00am. Students may choose to wear something **ORANGE** (the official colour of Harmony Day) or traditional dress/colours to represent their country of origin.

### Naplan – National Assessment Program

The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual assessment for students in Years 3, 5, 7 and 9.

It is a nationwide measure through which parents/carers, teachers, schools, education authorities, governments and the broader community can determine whether or not young Australians are developing the literacy and numeracy skills that provide the critical foundation for other learning and for their productive and rewarding participation in the community.

NAPLAN results allow parents/carers and educators to see how students are progressing in literacy and numeracy over time – individually, as part of their school community, and against national standards.

This week our Year 3 and Year 5 students have been sitting the NAPLAN tests of Writing, Reading, Conventions and Language (spelling, grammar, and punctuation) and Numeracy. Students who have missed the tests this week, will be given an opportunity to catch up the following week.

### PBS Term One

Our fortnightly focus areas for term one have been:  
Week 2 and 3 – RESPECT & RESPONSIBILITY - Whole body listening.  
Week 4 and 5 – ACHIEVEMENT - Listen to and follow instructions.  
Week 6 and 7 – SAFETY - Maintain personal space.  
Week 8 and 9 – ORGANISATION - Be on time.

Please talk with your child about the school expectations around the topics. Certificates are presented at our PBS assemblies on the Monday assembly.

Our whole school reward day is **Thursday, 28 March 2024**. The students who have followed our expectations for the term will be rewarded with a water play session. Students can wear free dress (for messy mud play) on the day. Each class will go with their buddy class to the designated area for their time.

Students who have not followed expectations will not be participating this term.

### Swimming Championship Trials

On Friday, 8 March 2024 selected year 3-6 students competed in the Swimming Championship Trials at Belmont Oasis. All participating students swam beautifully, and they should be proud of their achievements. The interschool swimming team will be selected from the results of this event. The interschool swimming carnival will take place at the Aqualife Centre, East Victoria Park on 27 March 2024. I would like to take this opportunity to wish all students the very best for this carnival.
