2023 School Board

Cloverdale Primary School Board met last night to discuss what is happening at our school. The Board is made up of parents with long connections to our school as well as parents of newer families. We have representatives of the local community and members of the school staff as well. Last night Cassie Rowe, MLA, Member for Belmont, who is one of our Community Members joined us. We discussed the new design for our school uniforms, communication, proposed Parent Information nights as well as upcoming whole school events. One important discussion was about the things we could do to encourage more parents to be part of our School Board.

To help you share your questions and ideas, the Cloverdale Primary School Board has a new email address and I encourage you to make use of it. This new address is monitored by the School Board Chair and other parent representatives, so you can send any queries or concerns to be raised at the School Board meeting or ask questions about membership to us.

Our new address is:

Cloverdaleprimaryschoolboard@gmail.com

Cloverdale Primary School Board members are available for chats before/after:

School Assembly Friday 11th August, 9.00 am

Parliament House Excursion - 24 July

On our arrival to Parliament House, the student councillors from Cloverdale Primary School and Cloverdale Education Support Centre and lots of other people as well, were warmly greeted by Cassie Rowe and other members of her staff for a private tour.

The first part of our tour was the morning tea. We were served cakes, party pies and fruit. We all had our fair share of food. On our way back we decided to check out the Aboriginal arts room. We then went down a corridor filled with chandeliers and marble and gold walls lined with photos and artwork of all types. On our way to the library we went down a winding staircase also filled with chandeliers and gold on the ceiling. It was personally my favourite because it was so fancy. I felt like a queen walking down a red carpet.

The way to the library was winding and adventurous. Once we arrived, we were shocked by how many books and statues of the law and politics surrounded us. We soon reached the courthouse. We were so lucky because when we sat there, they were doing training for future politicians. When I was there, I accidentally sat behind a pole, so I didn't get to see much but I heard everything.

In the end we went back the way we came, went down the stairs and viewed the city one more time. Then we ended our trip and went back to school.

Massed Choir Festival

The Western Australian Education Massed Choir Festival 2023 has invited the Cloverdale Choir to sing at their concerts. Our year six students, Kaycee K and Paige A, have been selected to audition for the concert's important compere and soloist roles. We wish them the best of luck for Saturday, 12 August 2023.

Administration Matters

Student Update Forms

Shortly you will be receiving another update form for checking. It is important to note that the contacts you provide are the ones authorised to collect your child/children from class. Should there be any change to your address, contact details, visa updates, medical or access restrictions please return the form urgently with the relevant supporting documents.

Parking

This is a reminder that it is not okay to park blocking the driveway entrances, this includes parking half on the grass/half on the drive. By doing this you are restricting access to staff. Thank you for your consideration.

End of Day - Leaving School Grounds

It is important that your child/children are collected from their class/es or a central location on campus, i.e. outside the Admin Office or Library. Students not collected within 5 to 10 minutes are sent to Admin for pick-up.

Once your child/children are collected please vacate the campus immediately. The playgrounds are out of bounds once school ends. Thank you for your assistance.

Website

The new website is up and running at [Welcome to Cloverdale Primary School | Cloverdale Primary School](#) This will become our main source for communication and promotion of the school.

Front Gate

As some of you may already know, the main pedestrian gate (Gate 2) at the front of the school has been converted into an electronic gate. The gate is unlocked from 7.30 am until 9.15 am and from 2.15 pm until 4.00 pm.
