FROM THE PRINCIPAL TO CLOVERDALE FAMILIES

Kaya, everybody.

Well, here we are at the end of Term Three...that went really fast! I think that we are all ready for the holidays and I hope that you have the opportunity to spend some time with your children over the two weeks. Term Four will start on TUESDAY OCTOBER 11. Monday October 10 is a School Development Day.

If you haven't already checked our Facebook page, now would be the time to do so! Our page is **Cloverdale Primary School**. Mrs Newland is posting lots of interesting and colourful content about what happens at school. We are covering the faces of those children who do not have permission to be photographed for posting on the Internet. If you wish to have your child's details changed in any way, please let us know via the Front Desk.

CANTEEN

Our wonderful Canteen is now providing recess and lunch food three days a week! This is a fantastic achievement and congratulations to our dedicated Canteen workers for all the work that they do. Congratulations as well to the many children and staff who, through buying food from the Canteen, have made it

possible for a third day to be offered.

VISITORS ON SCHOOL PREMISES

All staff working at Cloverdale Primary School and Cloverdale Education Support Centre have a responsibility to care for, educate and protect our students at all times. This is often referred to as having a "duty of care". This is why we ask all visitors, including parents during the school day, to sign in at the Front Office. This means that we can account for and identify people who are on school property. All staff have been asked to offer support to people on school property to find their way to where they need to be or to direct them to the Office to sign in.

2023 – PLANNING

I have started the process of getting everything ready for 2023. If you know that your children will not be attending Cloverdale Primary School in 2023, can you please let us know as soon as possible? Thank you.

See you in Term Four!!!

Cloverdale Primary School now has an official Facebook page. Please visit <https://www.facebook.com/cloverdaleps/>

This social media platform allows our school to celebrate our students' successes; to provide families with current information and updated events, and to support our local community.

OPEN NIGHT 2022

What a great success! We had many families through our gates. Students were busy doing activities for a stamp in their passports, our choir and instrumental music students sounded wonderful, the pancakes in breakfast club were yummy, the P&C had delicious refreshments. Feedback from a survey on the night have been positive with comments such as:

- What did you like about the Open Night?
- Community spirit. Shared joy and engagement of families. Meeting parents and family members.
- Enthusiasm. A chance to show off that I know almost every student by name - provides a sense of recognition and belonging to the community.
- Seeing old families from the previous years
- Connecting with school community Seeing whole families and siblings Showcasing student work and achievement
- Friendly atmosphere
- Got to see what the kids get up to in their class
- How interactive and inviting it is

The survey is still open and any feedback on our Open Night is always welcome.

Year 6 Councillor News

On Wednesday 7 September 2022, the Year 6 student councillors from CPS and ESC were given the honour of having morning tea in the Parliament House with our local member of Parliament, Cassie Rowe.

Mrs Butterworth and Mrs Bourke were kind enough to use their personal cars to take us there. It took us 20 minutes to arrive, and we were greeted by Cassie Rowe and her employees.

The building texture was beautiful, and the stairs were high, and it led us to a beautiful room with art, morning tea and refreshments. The morning tea included food such as macarons, cupcakes, caramel fudge, beef pies, mini sausage roles and fruit. A Parliament House staff member served us juice and tea.

In the indigenous art room, we discussed climate change and the beautiful indigenous art. Then Cassie Rowe gave us a tour of the Parliament House. We went to places such as her office, the two chambers (the legislative council assembly), the library, the gym, the outdoor area, and the underground office. Then we had the pleasure of having a photo with Cassie Rowe.

Visiting Parliament House gave us a better understanding of the Parliament politics and more, visiting was fun and interesting.

Reading Out Loud Awards (ROLA)

Since week 3 our students have been practicing their oral reading skills in the hopes of representing Cloverdale Primary School at the Finals. On Monday 12 September the whole school convened in the Undercover Area to listen to semi-finalists. From these, one finalist per year was then chosen to represent the school at Ruth Faulkner Library on Tuesday 20 September. Well done to all the finalists; (Yr 1), Safiya J (Yr 2); Alana-Rose F (Yr 3), Jaxon F (Yr 4), Lara C (Yr 5) and Yousef K (Yr 6). **Congratulations** to Jaxon, Lara and Yousef on their placings for their year levels!!

Green Team News:

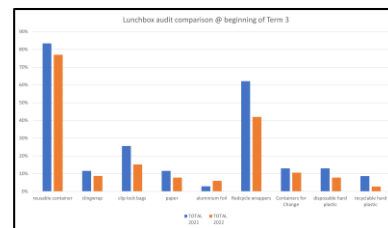

At last Thursday's Faction Carnival parents and carers witnessed our whole-school approach to waste management! Waste-sorting stations were set up behind the student bays, and adjacent the food service areas for parent use. A cursory examination of the bins at the end of the day suggested they had been used wisely - well done!

Parents also enjoyed sitting on our five new REPLAS bench seats - these are made from REDcycle soft plastics such as those we collect in our orange-topped bins. These bench seats were funded by a grant from Waste Sorted Schools so we could 'close the loop' i.e., show our students their recycling efforts produce useful products. REPLAS make many different products from bollards to fence posts to outdoor tables - please check out their product list if you prefer to support recycling initiatives.

TA9 students recently conducted a waste audit which will compare the waste going to landfill now, with the waste that was going to landfill 18 months ago. We'll share the results next term but suffice to say, Belinda, from Waste Sorted Schools, has already informed us there has been a massive reduction in fruit waste and chip wrappers going to landfill. YAY!

At the beginning of Term 3, we conducted a Year 1-6 lunchbox audit. This graph compares 2021 and 2022 data - it reveals that you have reduced the amount of waste in your student's lunchbox since the same time last year! Well done and keep it up! We'll do another comparison in early Term 4. There'll be a special incursion booked for the classes who produce the least lunchbox waste!

Yours until next time,
Dan Luxton, Science Teacher

Performing Arts News

Over 3 weeks, the students K-6 enjoyed an incursion from the RAC Little legends Club. K1, K2, TAP1, TAP2 used characters of the Little Legends Club to practice road safety including “STOP, GO AND SLOW DOWN” at the traffic lights. TA1 & TA2 learnt how to cross the road safely using the four steps ‘STOP, LOOK, LISTEN, THINK’. TA5 & TA6 were investigators of a crash scene to understand bike, pedestrian and passenger safety. TA7, TA8 & TA11 explored all areas of bike safety, from safety gear to building a safe bike. TA9 & TA10 were excellent scientists as they viewed an egg crash simulation to show the importance of seat belts. TA12 while playing Jeopardy style, students mastered the rules and laws designed to keep pedestrians, passengers, and cyclists safe. TA13 looked into the near future learning about alternative sources of fuel and built solar-powered cars. They got the race them too! All students demonstrated the Cloverdale SOAR values during their visits

P&C News

The P&C would like to thank all the wonderful parents and family members that volunteered their time to help with the lunches and cake stall, making it such a success at last week’s Athletics Carnival. A special thanks to Kim Kirby for cooking all the sausages and onions for the lunches, as well as all the wonderful families that donated the lovely treats, we had for sale at the cake stall it, was very much appreciated. A great big thankyou to Pam Jenzarli for donating all our Halal sausages for the lunches. This was so very generous. Thank you, Mr Black and Amy Henshall for jumping in and helping to pack lunches.

I personally would like to thank all the P&C members for their help in preparation for and on the day:

Jo McAuley
Chontal Summersby
Annemarie Fox
Kirstin Lidgett

The day could not have been the success it was without everyone's help and cooperation.

Congratulations, Nathan N for winning the meat raffle!
